

flower towers - square base

uplifting and enticing displays!

Bringing a real dash of colour to any entrance, precinct or city centre, Plantscape's Flower Towers offer both durability and flexibility.

Available in a wide range of colours, our flower towers are perfect for displaying sponsorship, advertising and logos. Our design and advisory service enable us to meet your exact specification.

The Plantscape® Flower Tower is well made, tough and easily transportable, but we'll not only deliver them to your location but we'll also set them in place for you as part of our service.

The low maintenance design feature of all our planters means that they can go for days before re-watering, so you get maximum impact for the minimum effort.

Benefits

- Durable, tough, well-made and easy to move with a hand pallet truck
- Ideal for displaying company logos, sponsorship and advertising
- Low maintenance - all our planters can go for days without watering
- Ideal for shopping centres and large feature planting
- Available in 1, 2, 3 and 4 tier baskets up to 2400mm in height, with a standard base size of 1000mm sq
- Available in a variety of colours
