

hanging baskets

bringing colour to your high streets

Easily fitted, our baskets are available in four standard sizes and in a wide range of colours to blend in with your own scheme. With a choice of brackets available our Hanging Baskets are the perfect way of bringing colour to your streets.

Our special low maintenance features enables you to water and feed plants easily. Plantscape's thoughtful innovation in design lets Mother Nature do all the work, providing fuss-free floral displays.

easy watering

Our solution of having a hole at the bottom of each chain leg makes watering simple and improved air circulation ensures healthy plants in the height of summer.
