

lamp-post baskets

fuss-free floral displays

Suitable for column and post mounting, our Lamp-Post Baskets are easily fitted and come complete with brackets at no extra cost. Combining two half circular units together is a quick and simple way of adding colour to your streets.

Our special low maintenance feature enables you to feed and water your baskets at just one point. Also water is stored in the baskets clever water reservoir system which means your planters can go for days without the need for re-watering.

Available in three standard sizes and a wide variety of colours, we have a Lamp-Post Basket to suit your needs.

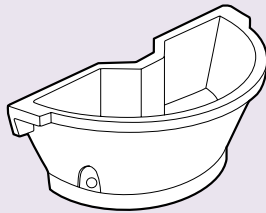

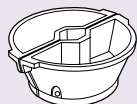

all year round planting

Using insert liners with the Lamp-Post Baskets, means easy planting in Winter or Summer. Utilising our liners, your plants can be grown in our nursery, allowing them to become fully established before adding them to your Lamp-Post Baskets to give an immediate change of scenery.
