

promotional plaques

make your planters pay their way!

Everyone loves to look at floral displays, and these eye-catching focal points provide valuable space to put sponsorship and advertising.

Plantscape's Promotional Plaques can be fixed to posts along side our Elevated Baskets, or can be applied to the sides of our Horizontal and Floor-standing planters.

Our design and advisory service means we can custom make plaques to your exact specification. From company branding and sponsorship to elaborate emblems and graphics - we can make your planters stand out from the crowd.
